(ii) the respondents supplying the information that results in official and other statistics;
(e) liaison with international and regional organisations that-
(i) request official statistics;
(ii) make recommendations about the standardisation, classification, collection, processing, analysis and dissemination of statistics.

3 Purpose of official statistics, and statistical principles

(1) The purpose of official statistics is to assist organs of state, businesses, other organisations or the public in-

(a) planning;
(b) decision-making or other actions;
(c) monitoring or assessment of policies, decision-making or other actions.

(2) Official statistics must protect the confidentiality of the identity of, and the information provided by, respondents and be-

(a) relevant, accurate, reliable and timeous;
(b) objective and comprehensive;
(c) compiled, reported and documented in a scientific and transparent manner;
(d) disseminated impartially;
(e) accessible;
(f) in accordance with appropriate national and international standards and classifications; and
(g) sensitive to distribution by gender, disability, region and similar socio-economic features.

4 Status of Statistics South Africa

(1) Statistics South Africa referred to as an organisational component in the first column of Schedule 2 to the Public Service Act and for the purposes of the application of that Act, in terms of section 7 (4) (a) of that Act, regarded to be a department-

(a) continues as such; and
(b) consists of the Statistician-General and the permanent and temporary staff.
referred to in section 7 (3) (a) of this Act

(2) Subject to the Minister's duties and powers referred to in section 5, no person or organ of state may interfere with the functioning of Statistics South Africa

(3) For the purpose of ensuring the effectiveness of Statistics South Africa, all other organs of state must assist it in accordance with the principles of co-operative government and intergovernmental relations contemplated in Chapter 3 of the Constitution.

5 Duties and powers of Minister

(1) The Minister must-

(a) on the recommendation of the Statistician-General, prioritise the work programme of Statistics South Africa, in accordance with the purpose of official statistics and the statistical principles contemplated in section 3 and both having been advised in this regard by the Council;

(b) monitor the performance of the Statistician-General of his or her functions-

(i) as accounting officer of Statistics South Africa; and

(ii) generally with regard to the financial affairs and organisational functioning of Statistics South Africa;

(c) determine the specific performance criteria, referred to in section 12 (3) of the Public Service Act, for evaluating the performance of the Statistician-General and monitor compliance with those criteria;

(d) approve or disapprove the inception, variation or discontinuance of statistical collection by a Minister or an organ of state other than Statistics South Africa, as provided in section 14 (1) and (2);

(e) after consultation with the Cabinet, appoint the members of the Council as provided in section 8 (3).

(2) The Minister may-

(a) subject to subsection (3), direct the Statistician-General to undertake any statistical collection;

(b) subject to subsection (4) and on the recommendation of the Statistician-General, enter into an international agreement with the government of any other state or any international organisation relating to the purpose of this Act;

(c) after consultation with the Cabinet, terminate the membership of a member of the Council as provided in section 9 (3).

(3) The Minister may not interfere with the power of the Statistician-General to decide, in respect of the activities of Statistics South Africa, on-

(a) the manner in which, and the time when, a statistical collection is to be undertaken;

(b) the form, extent and timing of the release of statistical information; or

(c) whether a statistical collection should be discontinued.

(4) The Minister may only enter into an international agreement in terms of subsection (2) (b) if authorised in accordance with the applicable law by the national executive which, in terms of section 231 (1) of the Constitution, is responsible for the negotiating and signing of international agreements.

6 Appointment and tenure of Statistician-General
(1) The President must appoint an appropriately qualified person as the Statistician-General who is the head of Statistics South Africa.

(2) The Statistician-General must be professionally independent by acting impartially and exercising his or her powers and performing his or her duties-
   (a) without fear, favour or prejudice; and
   (b) in the interest of maintaining a high standard of professional service and the integrity of the statistics which Statistics South Africa produces.

(3) The provisions of the Public Service Act regarding the appointment, terms and conditions of employment, powers and duties of a head of department apply to the Statistician-General, except where otherwise provided in this Act.

(4) The person appointed as Statistician-General holds office for an agreed term not exceeding five years, which term may be renewed.

(5) The Statistician-General may resign by written notice to the President.

(6) The Statistician-General may be removed from office by the President only-
   (a) on the grounds of-
      (i) incapacity;
      (ii) misconduct;
      (iii) incompetence;
      (iv) declaration as an insolvent, or
      (v) conviction of an offence and sentence to a term of imprisonment without the option of a fine; and
   (b) if the Cabinet, after considering a report on the matter from the Council, recommends to the President such removal.

7 Duties and powers of Statistician-General

(1) The Statistician-General-
   (a) administers this Act;
   (b) is the accounting officer for Statistics South Africa;
   (c) after receiving advice from the Council, makes recommendations to the Minister on the policies and priorities of Statistics South Africa;
   (d) directs Statistics South Africa in accordance with the duties and powers imposed or conferred on him or her by this Act, section 7 (3) (b) of the Public Service Act and any other law;
   (e) determines, and exercises final responsibility regarding the implementation of, the work programme of Statistics South Africa, including-
      (i) the collection, compilation and analysis of official statistics in accordance with the purpose of official statistics and the statistical principles contemplated in section 3;
      (ii) the times when and the manner in which statistical collections are undertaken and the form of any document pertaining thereto;
      (iii) the manner in which data are processed, documented and stored;
      (iv) the form, extent and timing of the release of statistical information;
      (v) development work in statistics; and
      (vi) the discontinuance of a statistical collection.

(2) The Statistician-General must-
   (a) cause a population census to be taken in the year 2001 and every five
(b) develop and maintain registers or lists which may be of use in producing statistics;

(c) furnish the Minister and the Council each year with a report in respect of the activities of Statistics South Africa during that year, which report the Minister must as soon as possible table in Parliament;

(d) undertake any statistical collection if so directed by the Minister in terms of section 5 (2) (a);

(e) formulate quality criteria and establish standards, classifications and procedures for statistics;

(f) provide statistical advice to other organs of state;

(g) in terms of section 14, promote co-ordination among producers of official statistics in order to-
   (i) advance the quality, consistency, comparability and optimum use of official statistics; and
   (ii) avoid unnecessary duplication;

(h) endeavour to fulfil the Republic's international statistical reporting obligations;

(i) liaise with other countries and their statistical agencies and represent Statistics South Africa internationally with regard to statistical matters;

(j) establish and maintain such offices in the provinces as he or she considers necessary, having regard to the needs for official and other statistics for provinces and other organs of state, on condition that-
   (i) service-level agreements or memoranda of understanding are entered into between Statistics South Africa and the provinces in question; and
   (ii) co-ordination of the statistical activities of the relevant provinces and other organs of state takes place in terms of section 14;

(k) seek to ensure appropriate public awareness of statistical collections and activities.

(3) The Statistician-General may-

(a) as regards the staff of Statistics South Africa-
   (i) retain or appoint permanent, temporary and contract staff or terminate their services; and
   (ii) determine their terms and conditions of employment, in accordance with the Public Service Act and other applicable law;

(b) in terms of section 14 (7), designate statistics produced by Statistics South Africa or other organs of state as official statistics;

(c) accept commissioned statistical work and determine the pricing of that work;

(d) determine the pricing of Statistics South Africa's services and products;

(e) delegate any power conferred or duty imposed on him or her by this Act, to any other officer of Statistics South Africa, but the Statistician-General-
   (i) may impose conditions for such delegation;
(ii) is not by virtue of such delegation divested of that power or duty and may at any time himself or herself exercise that power or perform that duty; and

(iii) may vary or set aside any decision made in terms of such delegation;

(f) on the conditions and for the period determined by him or her, establish an advisory committee or committees to advise him or her on any matters pertaining to this Act;

(g) make, by notice in the Gazette, rules relating to-

(i) the returns, information, data and statistics to be furnished and collected in the undertaking of a statistical collection;

(ii) the manner and form in which, the times when and the places where, and the persons to whom and from whom, such statistics must be furnished and collected; and

(iii) any other matter necessary for the effective collection of statistics and the effective functioning of Statistics South Africa.

(4) Any member of an advisory committee appointed in terms of subsection (3) (f) who is not in the full-time employment of the State receives such remuneration and allowances as the Minister of Finance determines.

(5) (a) If the Minister, in prioritising the work programme of Statistics South Africa in terms of section 5 (1) (a), rejects the Statistician-General's recommendation, the Minister and the Statistician-General must endeavour to resolve their disagreement after receiving advice from the Council.

(b) If the Minister and the Statistician-General fail to resolve their disagreement, the Minister makes the final decision and the Statistician-General must implement that decision.

(c) The Statistician-General may make public the fact that the decision is contrary to his or her recommendation.

8 Establishment of Council

(1) A council to be known as the South African Statistics Council is hereby established.

(2) The Council must consist of not less than 18 and not more than 25 members-

(a) with relevant professional proficiency and interest;

(b) broadly representative of groups or interests concerned with the production and use of official statistics, including-

(i) organs of state;

(ii) producers of statistics;

(iii) organised business and labour;

(iv) specialist and research interests, including statistics and information technology;

(v) economic and financial interests;

(vi) demographic and social interests, including rural, gender and disability interests; and

(vii) the public, including non-governmental, private, civic and other organisations; and

(c) of whom nine must be persons representing the respective provinces.

(3) The Minister must, after consultation with the Cabinet, appoint the members.
of the Council from nominations obtained through-
   (a) public invitations for nominations; and
   (b) a request to the executive council of each province to submit two or three
       nominations.

(4) The Statistician-General is by virtue of his or her office a member of the
Council and he or she or his or her representative may attend meetings of the Council, but
may not-
   (a) vote at such meetings; and
   (b) act as chairperson or deputy chairperson.

(5) The Minister must appoint a member of the Council as chairperson.

(6) The Council must elect one of its members as deputy chairperson.

(7) If both the chairperson and deputy chairperson of the Council are unable to act
    as chairperson, the other members must designate one of their number to act as
    chairperson during such inability.

9   Tenure of members of Council

(1) The members of the Council hold office for such period, not exceeding three
    years, as the Minister determines in respect of each such member.

(2) An appointed member of the Council vacates office if-(
    (a) he or she resigns after giving 30 days notice in writing to the Minister;
    (b) the period of his or her appointment expires; or
    (c) his or her membership is terminated in terms of subsection (3).

(3) The Minister may, after consultation with the Cabinet, terminate the
    membership of any or all of the appointed members of the Council for reasons which are
    just and fair.

(4) A person whose membership of the Council has terminated, is eligible for
    reappointment.

(5) A vacancy on the Council must be filled in accordance with section 8 (2) and
    (3).

(6) No deficiency in the number of members of the Council affects any decision
    taken at a meeting in terms of section 10 (5) if at least one third of the appointed
    members were present at that meeting.

10   Meetings of Council

(1) The Council must meet at least twice a year at such times and places as the
    chairperson or deputy chairperson determines by notice in writing to the other members.

(2) The chairperson or deputy chairperson-
    (a) may convene a special meeting of the Council;
    (b) must convene such a meeting within 14 days of the receipt of a written
        request signed by at least one third of the members of the Council to
        convene such meeting.

(3) The quorum for a meeting of the Council is one third of the appointed
    members.

(4) The Council determines the procedure at its meetings.

(5) A decision of the Council must be taken by resolution of the majority of
    appointed members present at the meeting in question and, in the event of an equality of
    votes, the person presiding has a casting vote in addition to his or her deliberative vote.

11   Committees of Council
(1) The Council may appoint such standing or other committees as are necessary for the effective performance of the functions of the Council.
(2) The members of a committee of the Council may include persons who are not members of the Council.

12 Remuneration of members of Council and its committees

A member of-
(a) the Council; or
(b) a committee of the Council,
who is not in the full-time employment of the State is paid such remuneration and allowances as the Minister of Finance determines.

13 Duties and powers of Council

(1) The Council must advise the Minister, the Statistician-General or an organ of state which produces statistics with regard to-
(a) matters referred to the Council by the Minister, the Statistician-General or that organ of state;
(b) any matter regarding the collection, processing, analysis, documentation, storage and dissemination of statistics, including the taking of a population census, which should, in the opinion of the Council, be studied or undertaken;
(c) the elimination of unnecessary overlapping or duplication with regard to the collection or publication of statistics by organs of state;
(d) any matter the Council considers necessary or expedient for achieving the purpose of this Act;
(e) the general appropriateness to the country's needs of the services provided by Statistics South Africa.

(2) The Council must promote and safeguard-
(a) official statistics;
(b) the co-ordination of statistical activities; and
(c) an environment which is supportive of the collection, production, dissemination and use of official statistics.

(3) The Council must furnish the Minister and Statistician-General with an annual report in respect of its activities, including its advice to the Minister and Statistician-General and the outcome of that advice, during the year in question, and the Minister must as soon as possible table that report in Parliament.

(4) The Council may issue public statements on any matter relating to its functions in terms of this Act, but only after consultation with the organ of state, business or other organisation involved, if any, in the matter in question.

(5) The Statistician-General must provide the Council with such secretarial and clerical assistance as is necessary for the effective performance of the functions of the Council.

14 Statistical co-ordination among organs of state

(1) Despite any other law-
(a) no Minister may authorise an organ of state to undertake a new statistical collection or substantially vary or discontinue any statistical collection; and
(b) no organ of state may undertake a new statistical collection or
substantially vary or discontinue any statistical collection, except with the approval of the Minister given in accordance with subsection (2), provided that in the case of any state institution referred to in section 181 (1) of the Constitution, the state institution does not require the Minister's approval, but it must consult with the Minister, who must be advised by the Statistician-General.

(2) The Minister may only grant the approval referred to in subsection (1)-
(a) on the advice of the Statistician-General; and
(b) after consultation with the head of the organ of state concerned.

(3) If so advised by the Statistician-General, the Minister may, subject to such conditions as the Minister determines, stipulate that the provisions of subsection (1) do not apply to any specific organ of state in any specific instance or class of instances.

(4) Subsection (1) does not apply to the collection of statistics undertaken in accordance with the work programme of Statistics South Africa contemplated in section 7 (1) (e).

(5) As soon as possible after-
(a) the inception, variation or discontinuance of any statistical collection requiring approval in terms of subsection (1) is proposed; or
(b) any document used in such collection is prepared,
the head of the organ of state concerned must inform the Statistician-General accordingly.

(6) The Statistician-General may advise any organ of state regarding the application of appropriate quality criteria and standards, classifications and procedures for statistics-
(a) to improve the quality of statistics;
(b) to enhance the comparability of statistics;
(c) to minimise unnecessary overlapping or duplication with the collection or publication of statistics in that organ of state or by other organs of state.

(7) (a) The Statistician-General may designate as official statistics any statistics or class of statistics produced from statistical collections by-
(i) Statistics South Africa; or
(ii) other organs of state, after consultation with the head of the organ of state concerned.
(b) Such designation must be in accordance with-
(i) the purpose of official statistics and the statistical principles contemplated in section 3; and
(ii) such other statistical criteria as the Statistician-General may determine by notice in the Gazette.

(8) The Statistician-General may-
(a) at his or her own instance or at the request of the Council, the Minister or any other Minister, review and comment on the production, analysis, documentation, storage, dissemination, interpretation and use of official or other statistics of any other organ of state; and
(b) after consultation with the head of that organ of state, publish any such statistics and comments thereon as he or she considers necessary or appropriate.

(9) For the purposes of assisting the Statistician-General in the performance of his
or her duties imposed by this Act, the head of any other organ of state must, subject to subsection (10)-

(a) within a reasonable period, supply the Statistician-General with information he or she may request regarding any official or other statistics for which that organ of state is responsible;

(b) advise the Statistician-General from time to time of any substantial changes in the information that has been so supplied;

(c) grant the Statistician-General or any officer of Statistics South Africa authorised by him or her unhindered access, without charge, to such information or data of that organ of state as the Statistician-General requests; and

(d) allow the Statistician-General or any officer of Statistics South Africa authorised by him or her to copy, without charge, any information or data which may be used in producing official statistics.

(10) The Statistician-General may, subject to such conditions as he or she determines, stipulate that any provision of subsection (9) (a) or (b) does not apply to any specific organ of state in any specific instance or class of instances.

(11) Subject to subsection (12), the Statistician-General may enter into an agreement with-

(a) the head of another organ of state in respect of information or data which the latter has the authority to collect;

(b) any body other than an organ of state engaged in collecting such information or data.

(12) The agreement referred to in subsection (11) is subject to the following conditions:

(a) The collection of such information or data must be undertaken either by Statistics South Africa or jointly by Statistics South Africa and that organ of state or body;

(b) the resulting statistics or information must subject to paragraph (c) and section 17 (3) be exchanged between the parties or shared with the other party;

(c) if information has been supplied by any respondent who gives notice in writing to the Statistician-General that he or she objects to the exchange or sharing of that information by the parties, that information may not be so exchanged or shared;

(d) every employee within the organ of state or body who is engaged in any such joint collection or to whom such statistics or information is made available, must take an oath of confidentiality similar to that provided for in section 17 (7) (a), whether or not he or she has taken an oath of confidentiality in terms of any other law.

15 Entry on and inspection of premises

(1) For the purpose of making enquiries or observations necessary for achieving the purpose of this Act, the Statistician-General or any officer of Statistics South Africa authorised by him or her may enter on any land or premises, other than a private dwelling, of any organ of state, business or other organisation and inspect anything thereon or therein.
(a) on the authority of a warrant issued in terms of subsection (2); or
(b) with the consent of the person who is competent to consent to such entry and inspection.

(2) A warrant referred to in subsection (1) (a) may be issued in chambers by a magistrate or a judge of a High Court only if he or she is satisfied, on the basis of information on oath or affirmation, that there are reasonable grounds for believing that entry on and inspection of the land or premises concerned are reasonably necessary for the purpose contemplated in subsection (1).

(3) A warrant issued in terms of subsection (2) remains in force until-
(a) it is executed;
(b) it is cancelled by the person who issued it or, if such person is not available, by any person with similar authority;
(c) the expiry of three months from the date of its issue; or
(d) the purpose for which the warrant was issued no longer exists, whichever may occur first.

(4) An entry and inspection in terms of subsection (1) must be carried out-
(a) at any reasonable time during the day unless the carrying out thereof by night is justifiable and necessary; and
(b) with strict regard to decency and order, including the protection of a person's rights to dignity, to freedom and security and to privacy.

(5) The Statistician-General or the authorised officer must, immediately before carrying out an entry and inspection in terms of subsection (1)-
(a) identify himself or herself to the owner or person in control of the land or premises, if such person is present;
(b) if applicable, hand to that person a copy of the warrant or, if that person is not present, affix that copy to a prominent place on the premises; and
(c) supply that person with particulars regarding his or her authority to carry out the entry and inspection.

16 Duty to answer questions

(1) The Statistician-General, or an officer of Statistics South Africa authorised by him or her, may, in performing his or her functions in terms of this Act, put, to any person any questions which the Statistician-General or that authorised officer considers reasonably necessary for the collection of statistics.

(2) Every person, including every employee of any organ of state, must-
(a) to the best of his or her or its knowledge and belief and subject to the right to dignity and privacy, answer, when so required, all questions put orally or in writing in terms of subsection (1); and
(b) in accordance with the instructions pertaining to any document referred to in section 7 (1) (e) (ii) and not later than the date specified in that document-
(i) furnish all such information; or
(ii) sign such declaration,
as is required by that document.

(3) A document referred to in section 7 (1) (e) (ii) is sufficiently authenticated if the name and designation of the competent person by whom it is given or issued, as the case may be, has been printed or stamped thereon.

17 Confidentiality and disclosure

(1) Despite any other law, no return or other information collected by Statistics South Africa for the purpose of official or other statistics that relates to-
   (a) an individual;
   (b) a household;
   (c) an organ of state;
   (d) a business; or
   (e) any other organisation,
may, subject to subsections (2) and (3), be disclosed to any person.

(2) The return or other information contemplated in subsection (1) may, subject to the directions of the Statistician-General, be disclosed-
   (a) to the Statistician-General and officers concerned of Statistics South Africa who have taken the oath of confidentiality referred to in subsection (7) (a);
   (b) to the person from whom such return or other information was collected or his or her representative;
   (c) with the prior written consent of the person from whom such return or other information was collected or his or her representative;
   (d) where the information is already available to the public from the organ of state, business or other organisation concerned;
   (e) in the form of lists of the names and addresses of individual organs of state and other organisations and their classifications by function, type of legal entity and range of numbers of members and employees, or other indicator of size;
   (f) in the form of lists of the names and addresses of individual businesses and their classifications by industry or activity, type of legal entity, and range of numbers of employees or other indicator of size;
   (g) in the form of lists of the kinds of products produced, manufactured, stored, bought or sold, or services rendered, by businesses, organs of state or other organisations or classes thereof.

(3) The Statistician-General may, for statistical purposes, disclose to another organ of state information or data gathered in the course of a joint collection undertaken with that organ in terms of section 14 (11), on condition that-
   (a) the name, address or any other means by which the respondents may be identified is deleted;
   (b) any person who is involved in the collection of, or who may use, that information or data, must first take an oath of confidentiality similar to the one provided for in subsection (7) (a) irrespective of whether he or she has taken an oath of confidentiality in terms of any other law; and
   (c) the Statistician-General is satisfied that the confidentiality of that information or data will not be impaired.

(4) Despite any other law-
   (a) an entry made by the competent person concerned in terms of this Act in any document; or
   (b) a return or its contents,
is not admissible as evidence in legal proceedings, except for purposes of criminal
proceedings in terms of this Act.

(5) Information collected by any person, organ of state, business or other organisation for his, her or its own purposes and communicated to Statistics South Africa is subject to the same confidentiality requirements as information collected directly by Statistics South Africa, irrespective of any other confidentiality requirements to which it may have been subject when it was collected.

(6) The results of the compilation and analysis of the statistical information collected in terms of this Act may not be published or disseminated in a manner which is likely to enable the identification of a specific individual, business or other organisation, unless that person, business or organisation has consented to the publication or dissemination in that manner.

(7) The Statistician-General and every officer of Statistics South Africa must-

(a) before assuming duty, take an oath of confidentiality prohibiting disclosure of any information coming to his or her knowledge by reason of such duty before its release is authorised by the Statistician-General;

(b) preserve, and promote the preservation of, confidentiality in respect of all information that may come to his or her knowledge by reason of such employment.
